

JOIN THE AMD AI DEVELOPER PROGRAM

Join the AMD AI Developer Program— free and open to all. Whether you're researching, building, or optimizing AI models, this program empowers researchers, engineers, students, and open-source developers to accelerate AI innovation on AMD platforms.

Get Started Instantly

Receive \$100 in AMD Developer Cloud credits when you join.

Connect & Collaborate

Member-only access to our Discord channel with AMD engineers and technical experts.

Earn Recognition

Be recognized at AMD developer events as an “AMD AI Developer Program Member”.

Win Big Monthly

Enter into a monthly sweepstakes for an AMD Radeon™ GPU or Ryzen™ AI PC.

Be the First to Know

Early Bird invitations to AMD-hosted developer events and workshops.

Learn & Grow

Access member-only training, workshops, and monthly office hours with open source partners.

Showcase Your Expertise

Submit your AMD AI projects to be highlighted on official AMD Developer channels.

Free DeepLearning.AI Courses

1 month complimentary DeepLearning.AI pro membership
